AIDA Creative Arts Series (toddlers to teens) Year Round Programming *AIDA Creative Arts* Series is a unique, creative foundation program where young artists grow in confidence, imagination, and expression through movement and the arts. Our monthly *Creative Arts Calendar* features a rotating collection of movement, music, art and imaginative play experiences for little learners and growing artists. New opportunities are announced monthly, giving families the flexibility to choose the experiences that work for them.	***For current schedules/ pricing please visit our website or registration page.***
Little Movers Movement • Music • Imagination Walking–Age 2 + caregiver A movement-centered class with dancing, scarves, props, music, balance, simple yoga-inspired movement, and imaginative exploration. Class is 30 minutes, followed by optional time to play, connect, and get to know other AIDA families. Dress Code: Comfortable clothing they can move and tumble in.	See complete schedule and register HERE
Little Makers Create • Explore • Discover Toddlers to Age 2 Toddlers and their grown-ups explore the world through hands-on activities designed to encourage curiosity, creativity, and growing independence. Each class may include art, simple science, sensory play, building, music, manipulatives, or seasonal discoveries. Class is 30 minutes, followed by optional time to play, connect, and get to know other AIDA families.	See complete schedule and register HERE
